

PRIVATE EQUITY SOLUTIONS WITH RESOLUTE

OUR SERVICES

An engagement with Resolute means the constructive solutions you're seeking for overcoming a challenging scenario are on the way. Regardless of the acute or chronic issues facing your business, we focus on solving the underlying problems and find the silver lining.

RESTRUCTURING & TURNAROUND MANAGEMENT

Financial instabilities or operational challenges can happen in the blink of an eye. Choose Resolute when you need a proven, trusted business advisor for your investment management company with controlling interest in distressed companies. Our experienced team members are experts at solving liquidity, financing, leverage or operational issues while positively affecting the investments bottom-line and avoiding bankruptcy court.

DIVESTITURE SOLUTIONS

Our team of professionals at Resolute has the experience to maximize the value of every sale. Whether it's a strategic sale, assignment for the benefit of creditors, orderly wind-down, straight liquidation, stabilize & sale or an alternative exit strategy, our team can provide the necessary divestiture support to maximize exit value.

FINANCIAL ADVISORY SERVICES

Our team analyzes complex financial information to diagnose chronic and acute issues and to provide practical solutions, both in and out of the courtroom.
