

RESOLUTE

problems solved.

Don't Gamble on Your Loan Portfolio—

## Uncover Hidden Risks with Resolute's Business Assessment Tool

### What it is

Our Comprehensive 4-week process delivers actionable insights to mitigate risk and optimize loan performance.

### Key Benefits

#### Early Warning System

Identify potential risk downgrades, non-accruals, and charge-offs before they occur.

#### Data-Driven Solutions

Receive objective analysis, industry benchmarks, and tailored recommendations.

#### Flexible Engagement

Scope and timing can be tailored dependent on the requirements of your situation.

#### Improved Decision-Making

Assists in constructing and monitoring meaningful covenants and forbearance terms.

#### Independent Verification

Validate borrower information and uncover hidden challenges.
